

Carmen Aldana (in pink shirt holding her two year old daughter) is beginning her entrepreneurial journey as she sets to open Synchronous Wisdom Living, LLC with the assistance of a working capital loan from The Loan Fund. Her business is primarily a yoga school designed to teach others to become yoga instructors themselves. However, Carmen Aldana has plans for complimentary services such as individual hot yoga classes, rental space for massage therapists, and yoga related merchandise for sale. Furthermore, Carmen Aldana is soon to be an author of a yoga book! Carmen enjoys great support from her family as four generations stand together during the closing with Cathy Sorenson, Loan Officer (black shirt).
