Over the last 28 years, The Loan Fund has empowered underserved small businesses and nonprofits with \$74 million in affordable credit to help them create or preserve over 9,000 New Mexican jobs.

In 2017 alone, The Loan Fund has:

- Helped 65 small businesses or nonprofits access affordable credit
- Launched 7 new businesses
- Created over 110 new jobs across the state
- Provided over 2,500 hours financial counseling and business consulting services

Who your support helps:

- 80%+ of The Loan Fund's borrowers are women or minority entrepreneurs
- 55%+ of The Loan Fund's borrowers are low or moderate income
- 100% of our borrowers were not able to access needed credit through banks or credit unions

We need YOUR support:

The Loan Fund cannot provide our services without support from foundations, corporations, and individuals like YOU.

The Loan Fund relies on contributions to cover 25% of our operating expenses. Without support from individuals like you, The Loan Fund would not be able to provide loans at affordable rates (coupled with no-cost consulting services) to promote true grassroots economic development across New Mexico.
